Determining your funding type

Go to “Find People” (found across the top edge of all OSU web sites)

Search for your name and expand the record to view your “Appointment”

For our funded students, one of two appointment types will display, Graduate Fellow or Graduate Research Associate. Note that this is your current funding status (as of today). If you will continue holding this funding type in the coming term, use this to guide your Summer enrollment using the flowchart above. You may want to check with your advisor before enrolling to see if you may be changing funding types in SU22.

“Fellow” = min 6 credits SU22 enrollment

“GRA” = min 4 credits SU22 enrollment
