Total Hours to complete the degree program = 129

Program Options

* Chem 1210 + Chem 1220 may be used to fulfill Chemistry requirements. Please consult with academic advisor.

Acceptance Criteria

Admission to the major program requires a formal application and is based on a student's cumulative point-hour ratio (CPHR), eligibility point-hour ratio (EPHR), and additional admission to major courses.

EPHR courses: MATH 1151, 1172; ENGR 1181, 1182; CHEM 1250 or 1210; PHYSICS 1250; MATSCEN 2010; or course equivalents. Additional admission to major courses not included in EPHR calculation: ENGLISH 1110.

Applications are accepted during autumn and spring terms. **Admitted students will begin major courses in spring term, regardless of the term in which they are admitted.**

Technical and Other Electives

Seven credit hours of technical electives are required. One credit hour may be taken in a non-graded (S/U) course, usually taken as WELDENG 4193.01 – *Lincoln Electric Welding “Boot Camp.”* In general, technical electives may be any course in Engineering, Math, Biological, or Physical Sciences numbered 3000 or higher. WELDENG courses used as technical electives must be numbered 4000 or higher. Exceptions and recommendations: Chem 2310 or 2510 (*Organic Chemistry*) may be used as a technical elective.

Optional: Foreign Language

Foreign Language 1103 Course: credit (including EM) for a foreign language sequence through 1103, or credit for a foreign language course with a prerequisite of 1103, can be used to satisfy the Cultures & Ideas Gen Ed category.

Foreign Language Minor Courses: completion of a foreign language minor permits a student to overlap up to 6 credit hours between the Gen Ed and minor. A curricular petition must be submitted to the student's program, which will forward it to the college for review. The courses must meet the spirit of the Gen Ed category for which overlap is requested.

Optional: University Capstone

Completion of a Social Science 3597 or 4597 can be substituted for a Social Science general education course in any subgroup. Completion of an Arts & Humanities 3597 or 4597 can be substituted for a Visual/Performing Arts general education course.
